Balmorea State Park
Toyahvale, TX

PROJECT DESCRIPTION

This 46-acre state park - outfitted with a double-wing, spring-fed swimming pool and 18 distinctive motor court cabins - was completed by the Civilian Conservation Corps in 1940, and by 2014, it was showing its age. A complete restoration was undertaken that complies with the Secretary of the Interior's Standards for Rehabilitation and the Texas State Historical Commission requirements.

LOW VOLTAGE DESIGN SCOPE

- Network Infrastructure
- Cable TV Distribution
- Access Control System
- Video Surveillance
