Earlywine Golf Course Clubhouse Oklahoma City, OK

PROJECT DESCRIPTION

Oklahoma City Parks and Recreation set out to modernize the city's golf courses. The upgrades include new facilities that bring modern looks and popular amenities to existing courses.

The new Earlywine Golf Course Clubhouse features 24 range bays, a restaurant, a grab-and-go coffee shop, a pro shop, lounges for men and women, and a new parking lot. The Clubhouse will also include a ballroom, an event lawn, and a conference room.
