Jackson Middle School Aquatic Center
Forney, TX

PROJECT DESCRIPTION

Forney ISD has a new aquatic center for swim and dive training. There are a total of 15 lanes, with a depth of 7-12 feet. Two diving platforms are included, as well as an additional four lanes with four foot depth.

Forney ISD is very excited to have a new aquatic center for their swim and dive teams. The athletic staff knows that this will take the team and program to the next level.

LOW VOLTAGE DESIGN SCOPE

- Access Control System
- Video Surveillance
- Network Infrastructure
- Paging System
- Intrusion Detection
