OHFA Office Remodel  
Oklahoma City, OK

### PROJECT DESCRIPTION

The Oklahoma Housing & Finance Agency has decided to renovate their office space. This will make meetings and appointments seamless and convenient for their guests. These renovations will include better accommodations for those with disabilities. The elevator is updated and there is an enhanced accessible building entrance. The renovated office building includes a new and improved floor plan that prioritizes physical distancing for guests as well as employees.

### LOW VOLTAGE DESIGN SCOPE

- Network Infrastructure
- Access Control System
- Video Surveillance
- Intrusion Detection
