

TECHNOLOGY • SECURITY SOLUTIONS

PROJECT DESCRIPTION

Huckabee and Southwestern Baptist Theological Seminary partnered to design Mathena Hall, a new 3-story academic building that is home to the Roy Fish School of Evangelism and Missions and the L.R. Scarborough College. It features classrooms, offices and an exhibit hall, as well as other modern amenities. Brick and masonry on the exterior are true to the aesthetics of the century-old campus.

LOW VOLTAGE DESIGN SCOPE

- Network Infrastructure
- Paging/Intercom System
- Access Control System
- Video Surveillance
- Classroom Audio/Visual Systems
