Tarleton State University Stadium Renovations
Stephenville, TX

PROJECT DESCRIPTION

Memorial Stadium embarks on a major renovation designed to improve the game day experience for the fans and the student athletes. The project will increase the seating capacity to more than 9,000 spectators with additional premium seats and hospitality suites. The renovations include a new press box, suites, enhanced concessions and modern amenities. Other renovations will be completed at the entrances and ticket booth as well as a replacement of the football and track-and-field surfaces.
