Jarrell High School Expansion Jarrell, TX

PROJECT DESCRIPTION

Jarrell High School will be expanding to fit their growing student body. Renovations include the fine arts program, auditorium, black box theater, library and cafeteria. There will be a new classroom wing that will be separate from the existing building to preserve the natural light that's let in to the facility. These new spaces will feature individual and group collaboration areas for the students.

LOW VOLTAGE DESIGN SCOPE

- Network Infrastructure
- Audio/Visual Systems
- Paging/Intercom System
- Access Control
- Video Surveillance

SIZE

57,000 sf
