

AC Hotel and Welcome Center
Bentonville, AR

PROJECT DESCRIPTION

The new Walmart Home Office will include a new AC Hotel by Marriott. This 4-story, 100,000 square-foot hotel will offer many amenities to the community including office and conference room spaces, retail areas, walking and biking paths, event space, and a rooftop lounge. The CRUX team is proud to be a part of this exciting project for the new Walmart Home Office.
