

Sapulpa Outpatient Clinic
Sapulpa, Oklahoma

PROJECT DESCRIPTION

The Muscogee (Creek) Nation is replacing their outpatient clinic in Sapulpa, Oklahoma. This new two-story 148,000 square-foot clinic will consolidate many departments including optometry, audiology, radiology, lab, dental, behavioral health, diabetes, physical therapy, primary care, and pharmacy.

The facility will expand to 54 exam rooms allowing much more space for doctors, nurses, and other necessary staff to care for more patients.
